Ah, Chocolat.
FUNUH

I would like to visit Navarus before he awakes
...You can't.

Is that so? How problematic...

SFX: Step
Uh...

Millefeuille?

Nergal, although you're like a father to us since you raised us with Carmilla...

Things won't go according to your plan

CREPUSCULE

Chapter 31

...It's what vice-president Sekreuz handed in to us.
The school nurse Angela Erzebet has gone missing...

And we've been told that a strong trace of power remains at the scene.
Hence, we can conclude that she was either kidnapped

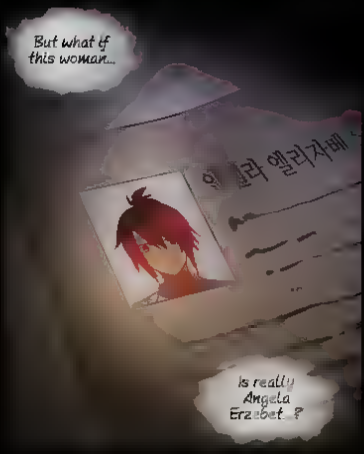
Or murdered...

But Mr Olivier.
Yes, Mr Buzzi?

I'm slightly concerned about that teacher's name...
Could she be...?

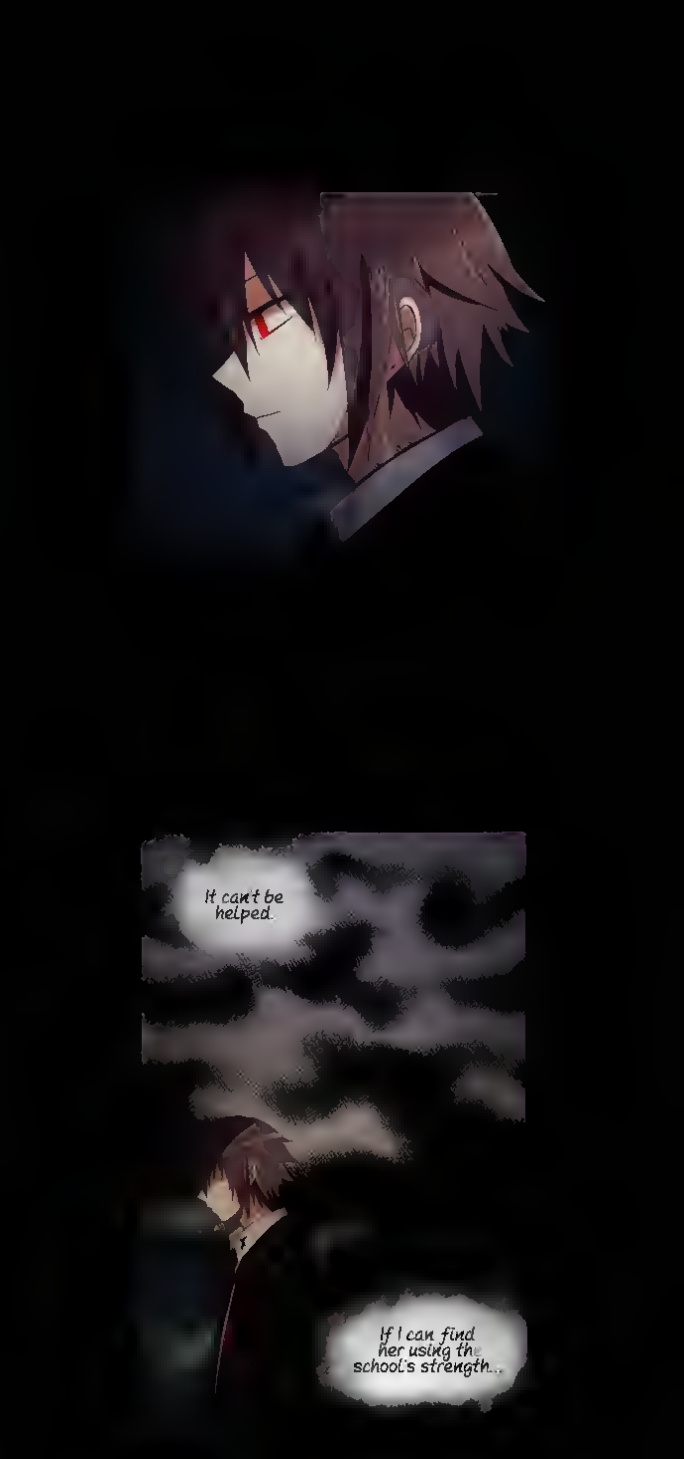
It also concerned me, so I'm looking into it.
The fact that she became a teacher just by the permission of the chairman is strange enough
But the possibility is very low... Since that family was decimated two-hundred years ago.

I will report it again once I find out more about it.
Her name is exactly the same as the clan that existed all those years ago....
For now, we will dispatch a search team



But what if this woman...
Is really Angela Erzebet...?

ARE YOU AN IDIOT?! ANGELA'S IDENTITY COULD BE DISCOVERED!
I'LL FIND HER ON MY OWN!



It can't be helped.
If I can find her using the school's strength...

...but what about Lark?

I can understand if it's about Angela-nuna..
But he doesn't seem to be okay..

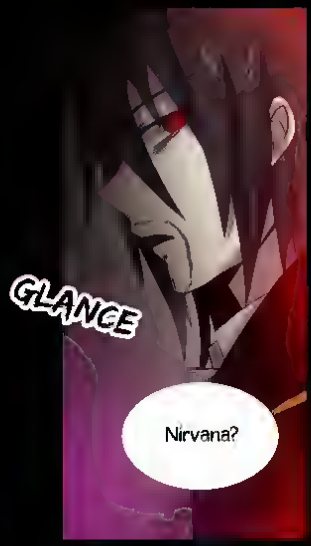
Nuna...
You're a first generation, aren't you?

There's no way you would just disappear like this.
...Right?

Navarus-nim

... Navarus-nim

It's me, Sylvia. ...We can return now.
Please, follow me.
Nirvana is here as well.
We will return with his powers



GLANCE
Nirvana?

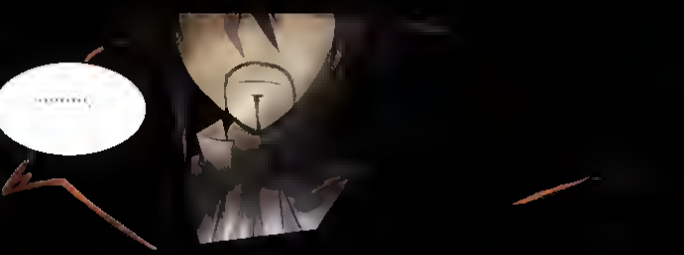
gulp
Let us return.

Kuwaaa

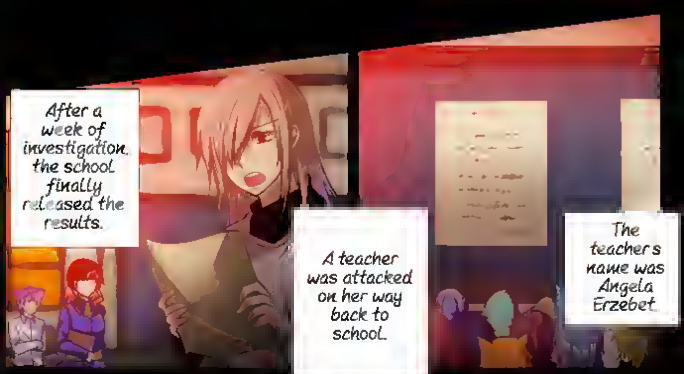
When we return...

Are you afraid?

What are you doing? Hurry up and get in.



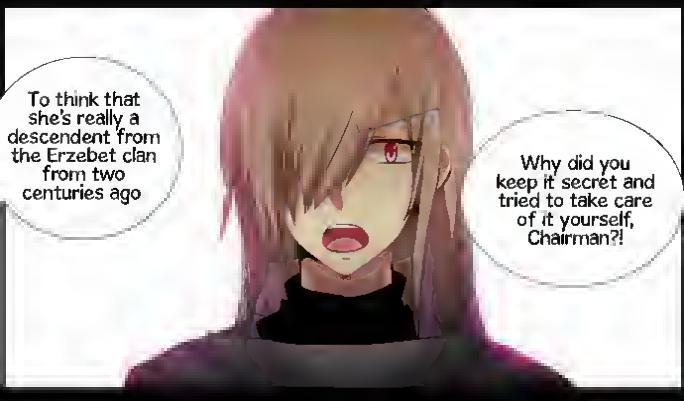
.....



After a week of investigation, the school finally released the results.
A teacher was attacked on her way back to school.
The teacher's name was Angela Erzebet.

Her survival cannot be confirmed, but judging from the scene, there's a high possibility that she was murdered.

Also, although it was the Chairman who gave her the job, he has shown no reaction to this, and this has raised many unanswered questions among the staff members.



To think that she's really a descendent from the Erzebet clan from two centuries ago
Why did you keep it secret and tried to take care of it yourself, Chairman?!

I have to formally report this to the council
This can't be overlooked!

...To think that Erzebet was attacked.
It's just like Carne before

There seems to be a dark change to this world
I don't think we should take this lightly

We need to think about the school as well.

Nevarus-nim, please grant your permission.
A decision must be made soon.
...My mind is set.
For now— I will allow it.

To prevent any more unnecessary student deaths
We will allow ability opening to the 1st years as well

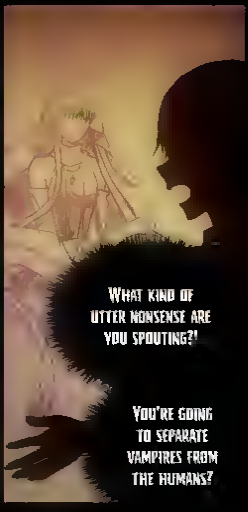
Te...pes...?
Yeah.

That name... I've heard it before.
In the beginning...
Are you really...?

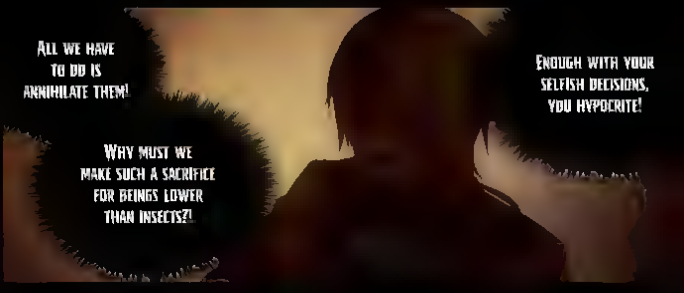
There were two leaders who guided the vampires.

Carmilla, who loved humans.

And Tepes, who loathed humans.



What kind of utter nonsense are you spouting?!
You're going to separate vampires from the humans?



All we have to do is annihilate them!
Why must we make such a sacrifice for beings lower than insects?!
Enough with your selfish decisions, you hypocrite!

Tepes...
In the end, Carmilla, and those who followed her...

Left Tepes and his followers behind...

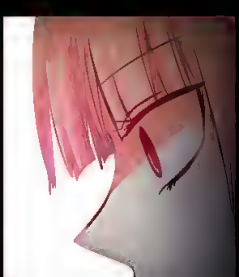
I see.
However I doubt you have been able to find anything thus far.
Very well. I will use my magic to get some answers.
How do you..?

It appears you've forgotten.
Even among those of the first generation, I am the only magician to achieve class 10.
I know magic that nobody else does. For example...
Well, we are talking about you here.

Since Nergal and Numerus are prominent figures even the council members will overlook a simple action they make.
KUKU
Being able to read the memory of the earth.
Well, I was able to see something cool because of him.
Back when we met at school, if it weren't for the barrier I probably wouldn't have escaped so easily...



WAIT, DOES THAT MEAN YOU CAN FIGURE OUT WHAT HAPPENED HERE?
Are you being silly, or are you truly that naive?

However, we will only be able to see Angela. Nobody else will be visible.
After all, this magic will only reveal her fate alone.
With that said, I shall begin.
...Will you please stand aside?
Ah, yeah!

I said, *why*...?!

I wanted to ask Angela-nuna...
About Camilla, and about you! Everything about you both!
But nuna isn't here anymore...

And because of that, nothing matters anymore.
I don't know or care about your reasons for offering to help me, but. .!

CHUCKLE
Only if you help me!
That's right

To achieve your goal,
Never look back.
Do you need me?

I need you.

Help me.
I don't care who you are, as long as you help me!

Sounds good.

the darkness fully consumed my thoughts

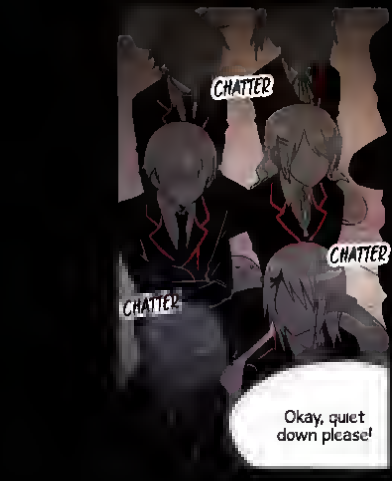
Chapter 95

Okay, everyone! As stated in the announcement, starting this week, all of you first-years will be granted the right to use your abilities~
Doesn't it make your heart skip a beat? However, don't get too excited! You may not have any abilities to use!



CHATTER
CHATTER
CHATTER
Okay, quiet down please!

The reason we are permitting this is because, as you all know, there have been many chaotic incidents lately
The steps to follow are pretty simple!
And you all agree that you should be able to protect yourselves if need be, correct?

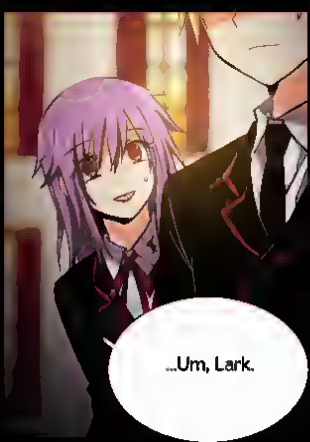
I, an adult, will place my hand on your head and recite an incantation.
You will probably feel a cold sensation flowing from my hand, but there's no need to be alarmed. No danger will come to you whatsoever
Also, you will not gain your ability right away
It will probably take about a week or so to manifest
Lark...
Afterwards, it will come to you naturally. Your abilities, I mean.

He hasn't said anything all day. It's strange...
Is he really okay?

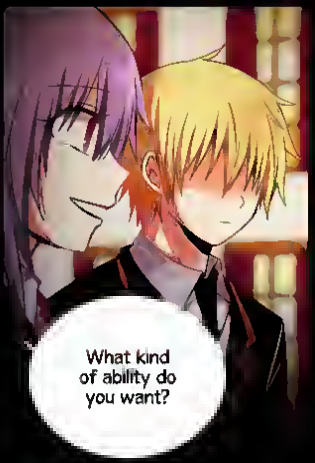
It can't be helped.
It's Miss. Angela after all.

I'd probably be...
With that said, I will begin...
Please come forward one at a time.
Frustrated and upset as well.

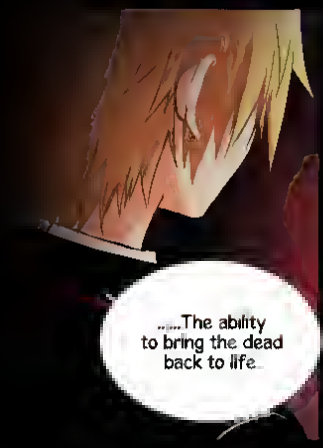
chatter
chatter



...Um, Lark.



What kind of ability do you want?



.....The ability to bring the dead back to life.

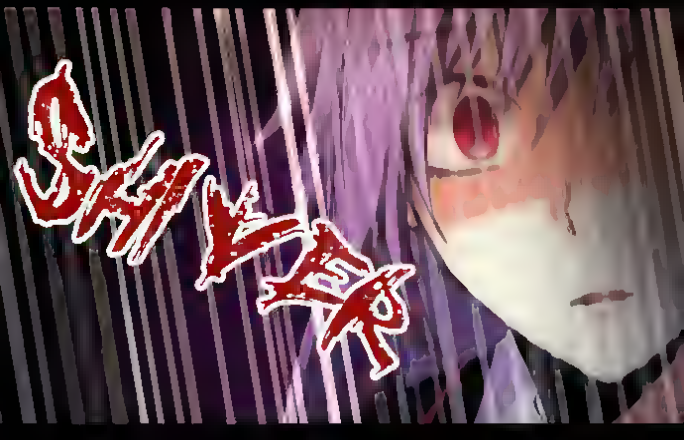
Ah...
But it doesn't matter now.

Because I already know what my ability is.

You already know? But how...?

Would you like to know?

You'll find out pretty soon.



W-what was that?

That feeling just now...

I didn't feel like myself anymore...
Lark already knows what his ability is? Did Miss Angela awaken it for him?
Okay, next is Seere Klein!

Please take good care of me
Haha, of course

All of the teachers have very high expectations of you, Seere.
Now, try to think of what you desire most

...Okay.
What!...

Desire most
Okay! Next person come forward please.

Lark Allen
You're next

Sermenys...

To be honest, I was surprised.
To think I'd find you at school...

It's not that. It's already been several decades since you were born, making you...
an adult.

...What the hell are you saying, you wench?!
Do you want to die?!
...You probably managed to escape that prison because of your ability.

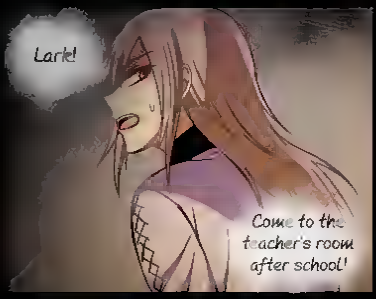
Chapter 96



Lark!
Come to the teacher's room after school!

Lark!
Lark?

The incident before...
What was that?!

What do you mean?

...The hall was blown up!

Why do you care?

That's my ability.
It's something everybody has, right?

You'll gain one soon enough as well.
But...!

Why did I blow up the hall?

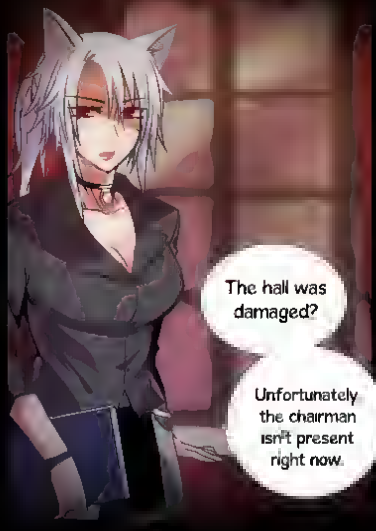
I need to reveal myself to the world.
It'll make finding it much easier.

What...?

...Take care, Seere.
See you again soon.

But, Lark...

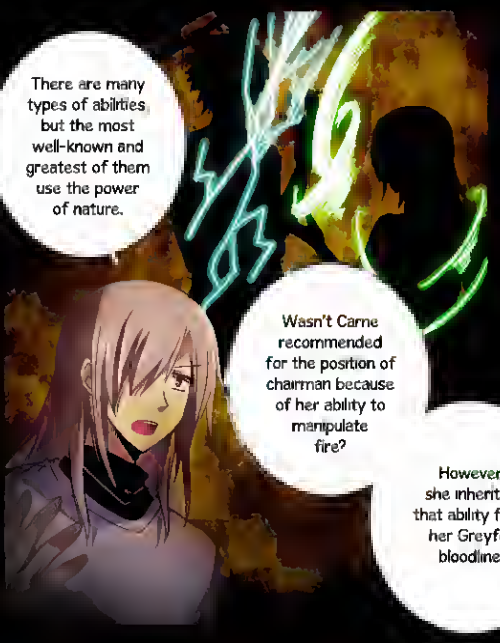
That power of yours is...



The hall was damaged?
Unfortunately the chairman isn't present right now.

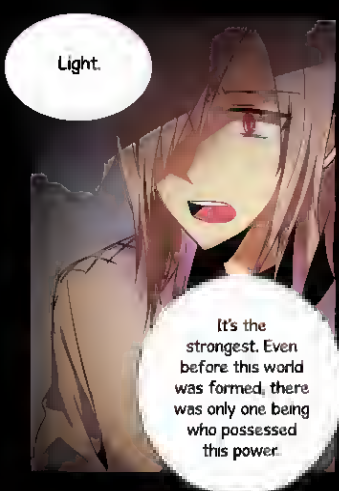
Ah, I forgot. Darn it...
Well never mind that. There's a more pressing matter at hand.

It's about that boy's power.
Another child with the ability to use the power of nature has surfaced.

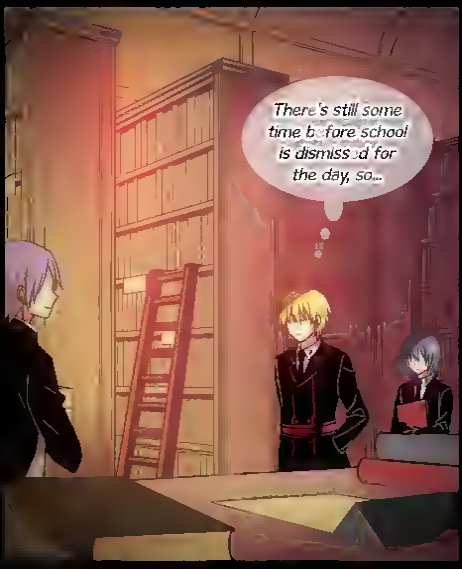


There are many types of abilities but the most well-known and greatest of them use the power of nature.
Wasn't Carne recommended for the position of chairman because of her ability to manipulate fire?
However, she inherited that ability from her Greyfell bloodline.

The fact that a non-noble child with commoner roots possesses the power of nature is incredible!
...So what is his ability?



Light.
It's the strongest. Even before this world was formed, there was only one being who possessed this power.



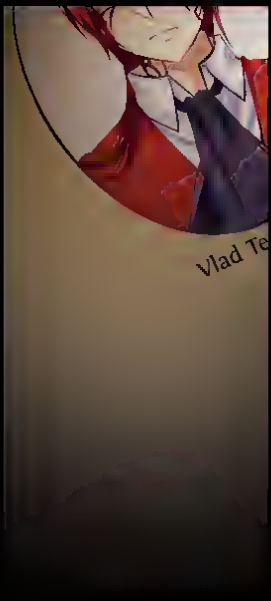
There's still some time before school is dismissed for the day, so...

There aren't many documents from before Crepuscule was created.
Here it is.

That's obvious enough I guess.
flip
flip
It would cause a lot of bother if even the smallest amount of information about the outside world was leaked

Anyway I just wanted to get a crude understanding on how to use my power but
To call it 'light'
If I'm going to use it properly I'll have to learn as much as I can about Tepes
It's pretty ironic.
The one weakness of a vampire is the sun... which gives off light.

Ah,
I found it.
Well,
there's prob-
ably a reason
it's called the
strongest
ability.



Vlad Te

...Huh?

He doesn't look like me at all..
He's not there? I said to have him confined.
So why does he look exactly like me in my dreams?

Yes. It appears he's gone to the school
What should I do?

Then with my strength I'll...

Damn it.
step

Walking around the school is work and all...
But it is a little irritating...
Hmm?

Quz?
SHAKING

Hey, pudding for brains. What are you doing here?
Ack, Nilvana? You've come back

Well, the thing is, Bathory-nim isn't responding at all.
She's barricaded herself in her room and won't come out.

That girl is?
glance

...It's probably not the time to be worrying about others, Nilvana Friere

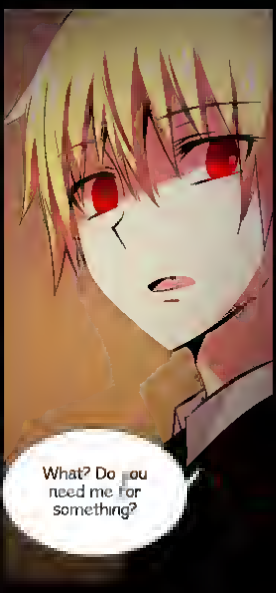
Season 2 Chapter 18



What? Do you need me for something?

...No.

You... You know what?

You're acting really weird right now...

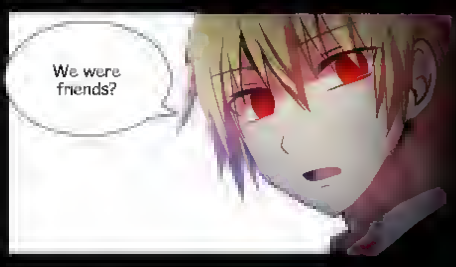
What are you saying?

What's it to you?

Well, let's get along, friend!

...Because we're... friends.

.....?



We were friends?

Stop saying pointless things and just go back to sleep.

I'm going out for a while.

...No.
You.. can't go out

I got a request from hyung.
I'm... going to be watching you.

...You sure have a lot to say, don't you?

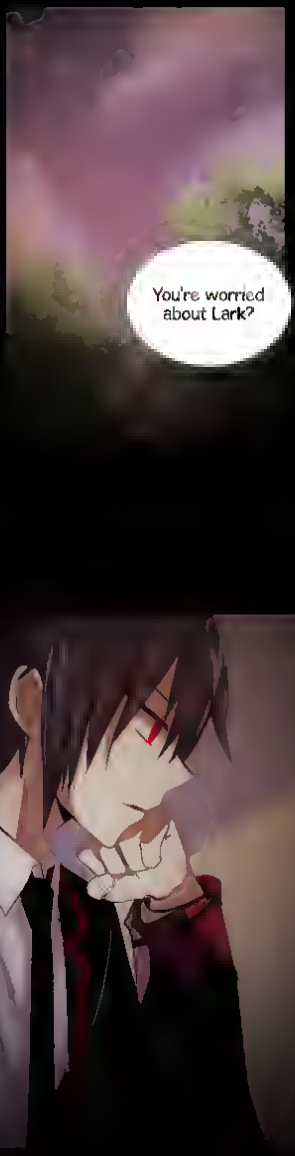
...Sai's part of the student council so he'd probably do something like this
Is it true though?
But I have to go

I don't even have time to discuss this with you right now.
In that cas...
rise

You'll need some sort of pretext.

Fight me.

What?



You're worried about Lark?

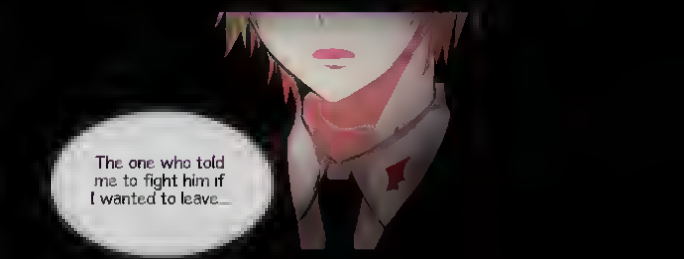
Don't worry about it. I gave my brother very specific instructions.
He'll watch him closely

...It's good if that's the case, but...
I've got a bad feeling about this...

step
step
Here.
The school's exclusive gym hall

You should be able to fight properly if it's here, right?
There's a magic barrier erected here, after all.

Are you... Really going to...?
Fight me?



The one who told me to fight him if I wanted to leave...

Wasn't that you?
Well, this all works out in the end.
I wanted a chance to really try out my strength.

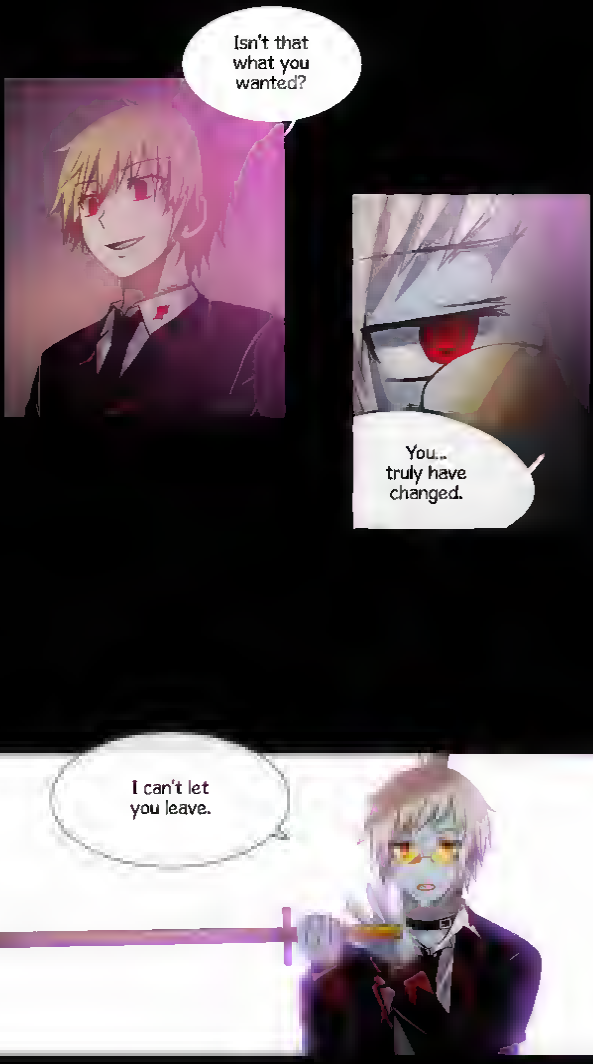
Well, shall we begin?
...I don't have...
It's unfair...
I don't have an ability
Don't you think this is unfair?

Are you saying you think this fight is unfair because you don't have an ability?
You who can regenerate cuts and gashes in an instant?

Isn't being completely unaffected by pain...
...Your ability?
...Then, here...
We're going to cut... and gash...?
Is that the kind of fight you want?



Isn't that what you wanted?
You... truly have changed.
I can't let you leave.

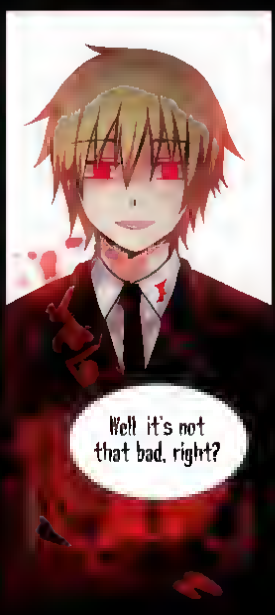
IF YOU THINK YOU CAN STOP ME.
GO FOR IT!
BANG

DASH
...STRENGTH...
ISN'T THE ANSWER TO EVERYTHING!

Think...
Look at... you're...
Calm down and think
Look at how you're acting right now

...Oh ho! Even though you don't finish your sentences,
I can still understand them somehow.

You can take that little sermon of yours and shove it



Well it's not
that bad, right?

SIZZLE

Your body regenerates instantly

See?

As I expected,
Because my ability is light, it's harder to.
Regenerate the wound, right?

So that's how it is.
Are you... using me as some sort of test...?
Is that how you feel?
If so, I'll make it up to you.

...There really is something wrong with you.

The woman who, for all intents and purposes, was my mother was murdered.
How am I supposed to be okay after that?
IT WOULD BE STRANGER IF NOTHING WAS WRONG WITH ME!

DASH
...Do you think that not knowing you're wrong...
Will absolve you of your actions?!

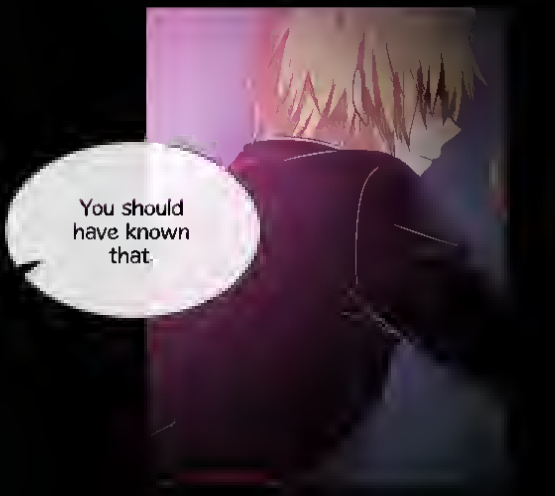
!?
...Endure this.

I don't know what pain is

But there are times when it is necessary

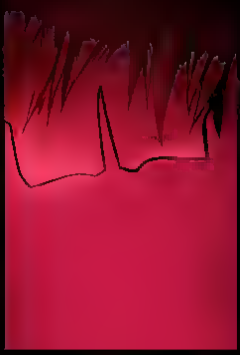
fall

...Even if... the...
...Remains the same.
Even if you gain the strongest of abilities
Your physical strength remains the same



You should have known that.

Is it over...?
COUGH COUGH



YOU WENT TOO FAR
DIDN'T YOU CONSIDER WHAT COULD HAVE HAPPENED BY HITTING HIM THAT HARD?
RISE
THIS CHILD...
IS DIFFERENT FROM THE REST OF YOU...
HE IS VERY FRAGILE...
You... what...

WHAT? YOU'RE STILL ABLE TO TALK?
YOU REALLY ARE SOME-THING.

HOWEVER, THIS IS A POWER THAT COVERS UP THE VAMPIRES' NATURAL WEAKNESS.
IT MUST BE EVEN WORSE BEING TRAPPED IN THIS PLACE, WHERE YOUR RESISTANCE IS LOWERED

BOOM...

To think that Sia couldn't block it.
Impossible...!

He's not even regenerating properly.
Lark. Just what kind of bastard is he?!

Lark did this... to... Sia?
...What the heck happened?
They even fought each other!

I didn't think he'd go this far.
In the end, I should have...

I should have handled it myself

CREPUSCULE

Special Chapter

Hello! This is Mirchi,
And Yamchi!!
Seeing each other again in a special chapter like this is probably because...
My body is screaming out in pain to me...
Covered in pain relief patches again
Flower is wilting away
We've had to keep a rigorous schedule since the start of season two
To be honest, we're probably constantly trying to keep a rigorous schedule considering we're doing a special chapter every 20 chapters or so
Hang in there, red jelly-
RUB RUB
My name is Yamchi
We are recruiting those who will provide us with pain relief patches. Our address is XXXXXX. We will exercise caution

Although we aren't completely burned out we felt that it would be best to release a special chapter soon to prevent our symptoms from worsening

Our hearts are already at the finish line~

As we are taking this break to maintain the quality of the story and plot we ask for everyone's understanding

We would also like nothing more than to have the story progress but our bodies just won't cooperate.

I'm not as young as I used to be. I easily pulled all nighters in my youth.

However we did try to put this and that in this special chapter

With that said, here is the special chapter.

The special chapter is at least a 4-cut manhwa, if not more~!

Makeup!

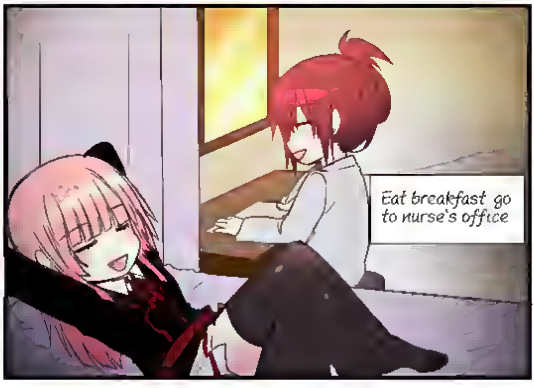
Attach Mustache
NAVARUS
Place

Apply Dark Smudges
NAVARUS
Wiggle

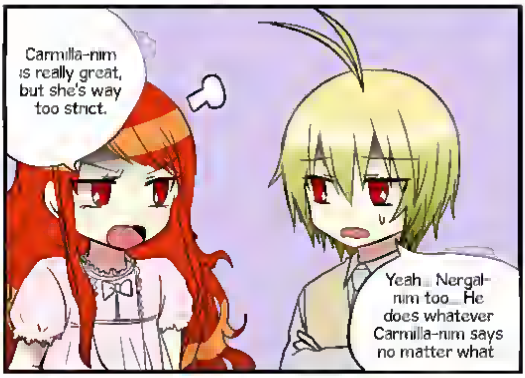
Father...?
Wow!

Navarus-kun, are you using makeup?
.....
Were you peeking?

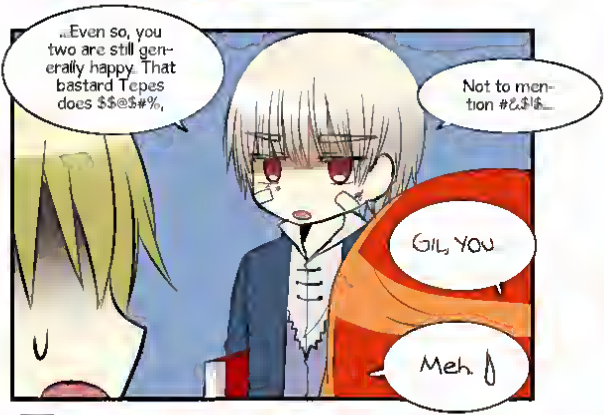
A Day in the Life of Bathory

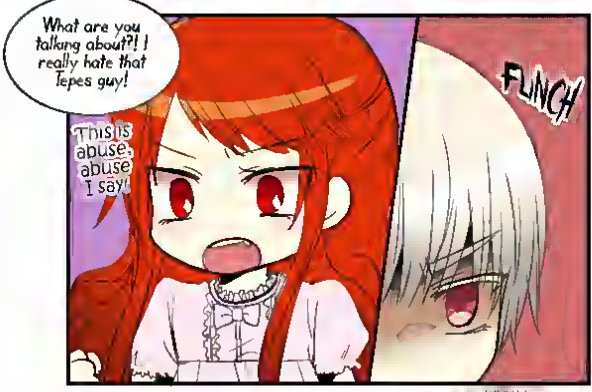


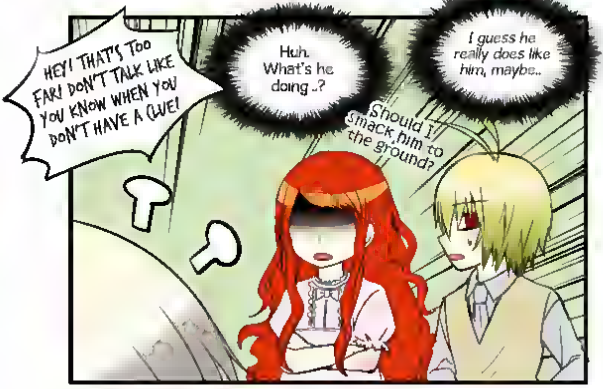
What? We Just Misunderstood



Carmilla-nim is really great, but she's way too strict.
Yeah... Nergal-nim too... He does whatever Carmilla-nim says no matter what

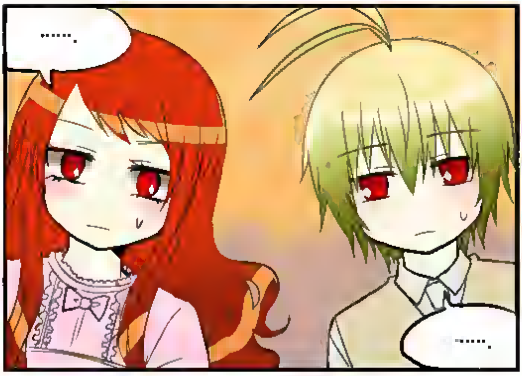


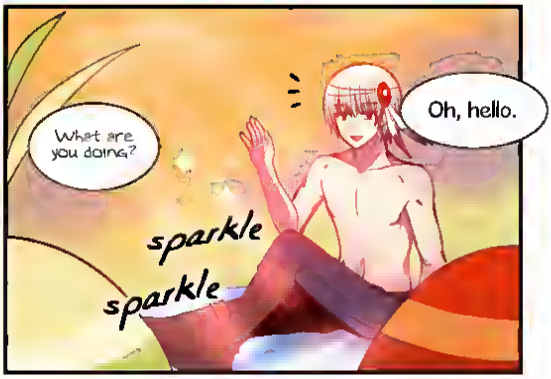




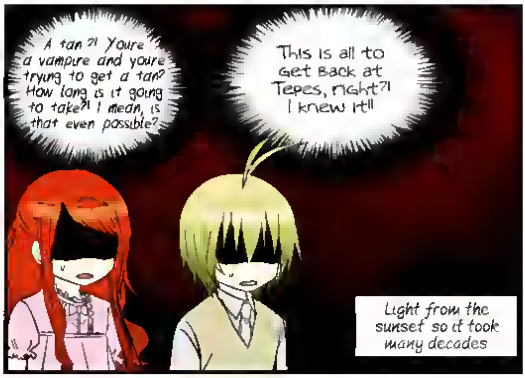
HEY! THAT'S TOO FAR! DON'T TALK LIKE YOU KNOW WHEN YOU DON'T HAVE A CLUE!
Huh. What's he doing..?
I guess he really does like him, maybe..
Should I smack him to the ground?

Useless Endeavour



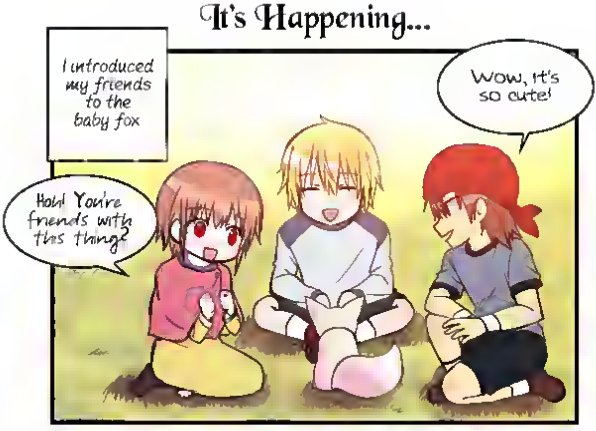


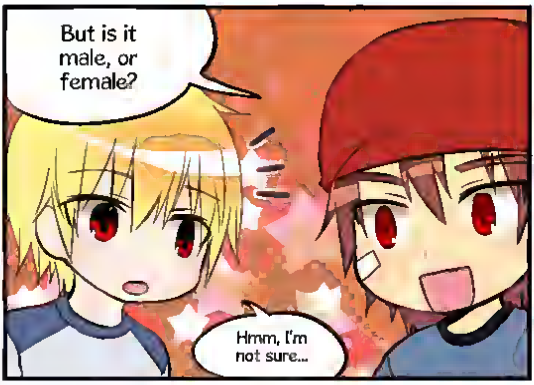
I heard that ice reflects light really well, so I thought I'd try getting a tan.
I'm going to be here for a while so don't think this is weird or anything~

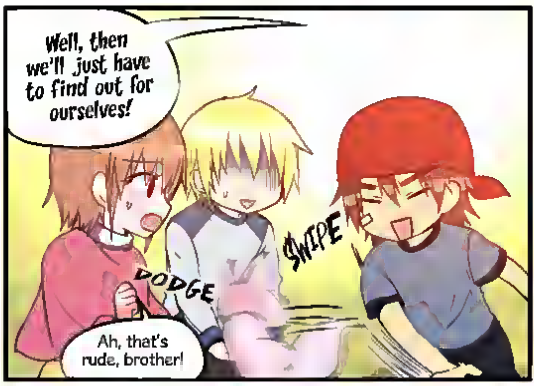


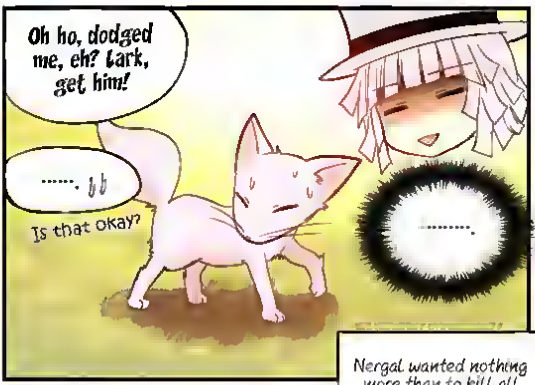
A tan?! You're a vampire and you're trying to get a tan? How long is it going to take?! I mean, is that even possible?
This is all to get back at Tepes, right?! I knew it!!
Light from the sunset so it took many decades

It's Happening...









Nergal wanted nothing more than to kill all of the children right in front of him

And lastly! Although it has been over 100 chapters since we first began, there still seem to be readers that get confused with the title.

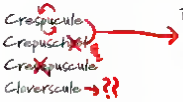
잠미잡바프리
해 제목이 오타가 났죠?수정해 주세요

루빌★★라크
어떠 제목이 크리퍼스쿨인줄 알았는데 크리퍼스쿨인줄 처음 알았네

체페쉬짱짱맨
creeper school 이 맞는거 아님?

T/N The reader comments show that some people are misreading 'scule' as 'school'

As there seem to be many readers who are confused with the title.



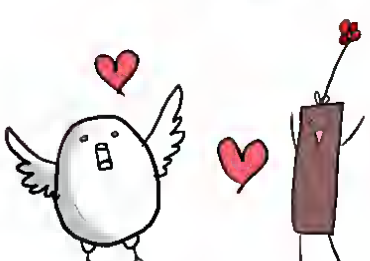
These were the most frequent errors for whatever reason (As this story takes place in a school, perhaps people believed 'school' was in the title.)

Other mistakes on top of that.

(Even my parents first thought the title was 'Crespucule')

The correct title is 'Crepuscule'. It refers to sunrise and sunset, dawn and dusk. That is why the sky is always yellow and violet.

We will conclude this special chapter hoping that some of the confusion with the title has been clarified.



We will be at our peak next week and hope to see you then.

Thank you very much~!

...But,

Where am I? I was fighting with Sai, and...

I seem to be outside the school grounds

Strength isn't the answer to everything

There's something wrong with you.

CREPUSCULE

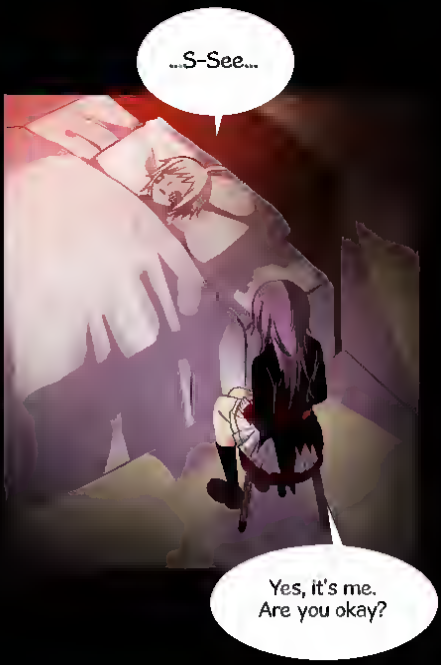
Season 2 Chapter 21

You are quite stubborn
...You think I'm being stubborn?

I don't know anything.
How many times do I have to say it?
STARE
I wonder how long you can keep this up.

...URGH...!!
AAHHHHH!!!
Loathsome child.

Sia?



...S-See...
Yes, it's me.
Are you okay?

Seere.
Thank goodness...

.....
Ah, is it okay getting up so soon?
Rise

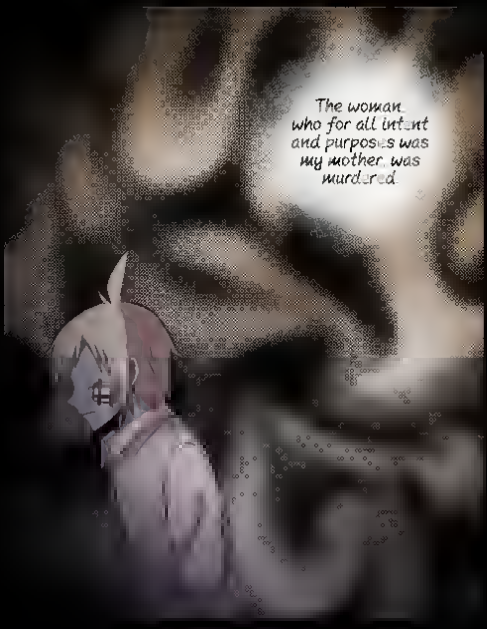
I'm okay.
More importantly, what about... Lark...?

Lark is...

...What on earth hap-pened?

Lark is gone...

The student council is keeping it a secret for now, but...
Because you're a victim, if you come forward, he'll have no choice but to be...
...Expelled?
Yeah...



The woman who for all intent and purposes was my mother was murdered.

How am I supposed to be okay after that?!

He's in pain right now.

If things continue this way... He will... surely be ruined...
Seere, is that what you want?

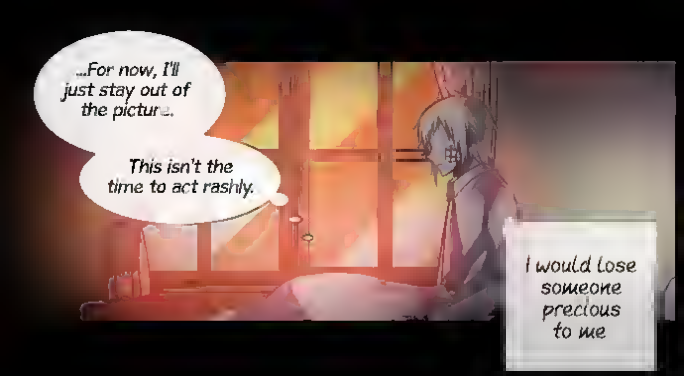
No, I don't want that at all!!
shake
shake

I want to help him.

I also...
Loved Miss Angela...
Very much...

Besides...

I'm pretty sure the reason he left so abruptly is because of that person inside him
Just who is he...?



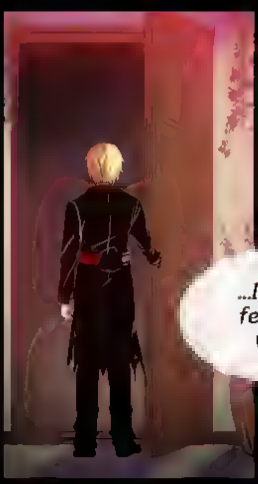
What every person does

While trying to endure hard times_ should be private

The one who buries himself in his duties to forget
The one who is open with her sadness.
The one who locks herself in and dwells on her memories
And...
The one who walks his path with confidence.
...I got here faster than I thought I would.

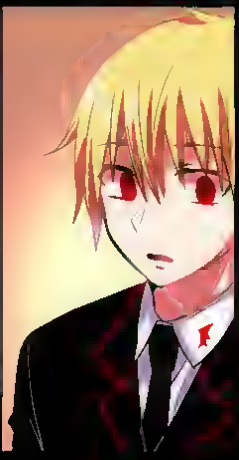
In the end...

All you're doing is running away.



...I don't feel too well.

I'll have to rest up before I leave



Are you home, Lark?

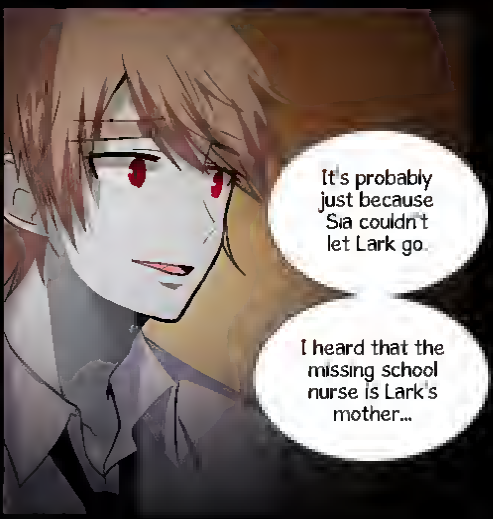
...Your brother.
Is he friends with Lark?
Hmm?

Wouldn't you say so?
That brat hasn't had many friends
.....
It may seem that way, but...

It felt like he was hiding something...
Ah, maybe that's why...!
What?

it's nothing special, but our father used to get lost all the time as well
I think it was around the time Sia came back to school... Anyway, he went off somewhere far to make a delivery...
A few months later, he was found dead
It's been almost two years now already

...I'm sorry.
Ah, no worries. It's all in the past...



It's probably just because Sia couldn't let Lark go.
I heard that the missing school nurse is Lark's mother...

Sia had a very hard time dealing with what happened to our father.

But this fellow had Carne...

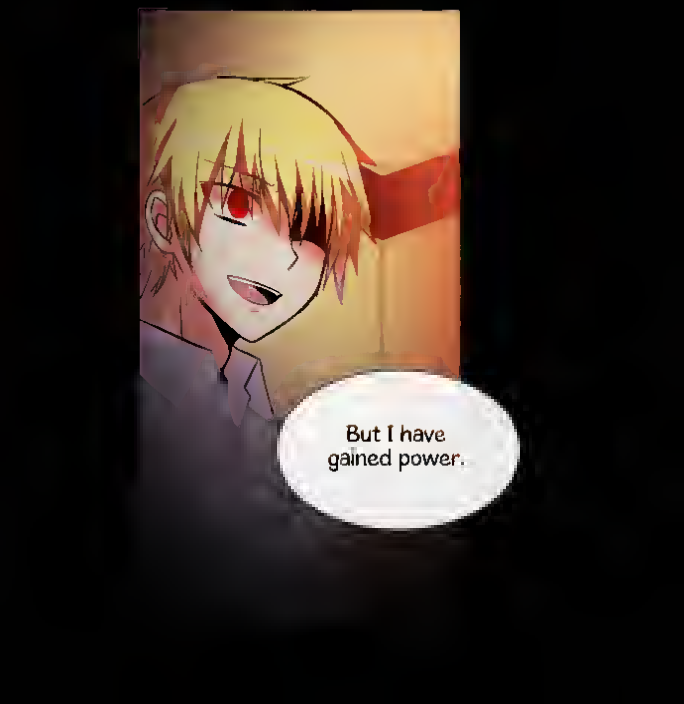
Season 2 Chapter 22

You're there, aren't you?

I know you are so come on out

...Unexpected.
Ssss..

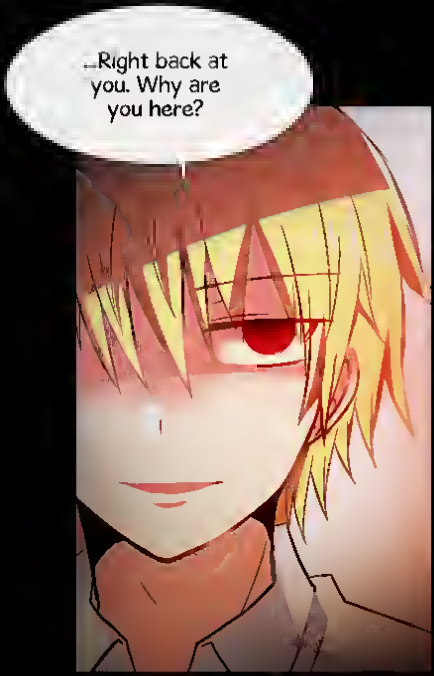
To think that a human, such as yourself, would be able to sense my presence.



But I have gained power.

Power?
What power?
Anyway

Why have you come here?



...Right back at you. Why are you here?

Do you know what happened to Angela-nuna?
!!

So it's because of Angela
I was simply on my way elsewhere when I spotted you I am here only to follow you
...Because I am worried

Worried?
Whatever. I have something to ask you.

Yes?
Angela-nuna.

I'm sure you know something.

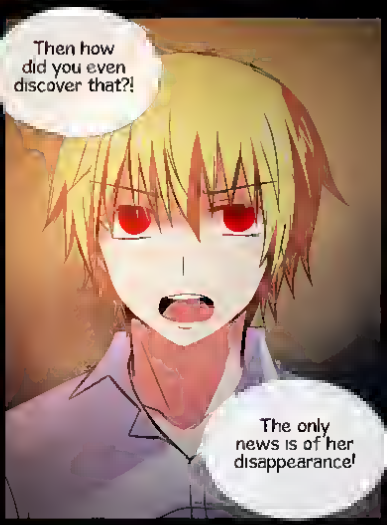
Talk.

No, more importantly...

...Angela's death must have been quite a shock
I understand.
However, you–
Quit the sermon.
What I need is information.

I came all the way here to meet with you.
...Why have you sought me out, of all people?
I know nothing

Other than the fact that Angela has died.



Then how did you even discover that?!
The only news is of her disappearance!

Ah, I've said too much.

You... you know something. Don't you?!
rise

You're going to tell me everything.

You've grown to be quite impudent, Lark.
Why would I do such a thing?

SMIRK
"Why?" you ask?

You're my pet, remember?

AH HA...
HA HA.
Excuse me...
